## Charles Horne M.A, first Rector of Christ Church

Canon Charles Wynn Ellis Horne was born in England in 1876 and educated at Selwyn College, Cambridge and Ely Theological college. He was ordained in Lincoln Cathedral and came to Canada in 1907. He was a missionary near Edmonton until moving to Calgary in 1910, where he became curate at the Pro-Cathedral. Horne became Rector of the newly created Christ Church in December 1913 with a minimum stipend of \$100 per month or about \$3500 per month in today's currency.

He first lived on Premier Way until he moved to 814 36<sup>th</sup> Ave and later at 1014 34<sup>th</sup> Ave to be closer to the Church. Mrs. G S (Luci)

Munn was his housekeeper throughout his working life first in Calgary and then England. Only the basement of the church was completed before funds ran out and World War one intervened. One Elbow Park resident caustically referred to it as "Canon Horne's Root Cellar". Despite lacking a formal church building, Horne had no difficulty in making Christ Church a strong parish and an important part of the neighborhood. He was particularly active amongst the youth of the community.

He devoted a great deal of his time and energy to the boys of the parish. Horne organized the second Calgary Scout Troop at Christ Church, which he supervised for 16 years, and a Cub pack and a senior Scouting group, the 2<sup>nd</sup> Calgary Rovers. Thousands of men, later active in professional and business life, came under his leadership during their formative years and carried with them his ideals. Girl Guides began sometime after 1918, certainly with Horne's support. The Guides had a Camp on the shores of Fish Creek. Brownie groups were also formed.

From 1915-1917, Horne was also Rector of St Mark's Anglican church on 33rd Avenue SW.

At a vestry meeting in May 1918, Rev Horne took a leave of absence, to go overseas as chaplain for the Canadian Expeditionary Forces. Canon A. F. Hayes served the parish until Horne's return in 1919. Under Horne's leadership, in 1921-3, after the easing of the post-war recession, a building was erected on top of the basement church. It was dedicated in 1926, after the debt had been paid off.

With great regret, the parish said goodbye to Rev Horne in 1929, when he returned to England, for good, largely because of failing health. His sixteen-year ministry at Christ Church left a deep memory of respect and affection. He left behind a lovely church, a good choir, a growing Sunday School, Bible classes, active women's groups, and a fine Scout Troop, Guide Company, Cub Pack, Brownies, Rovers and Rangers.

In England, Charles Horne served as vicar at several parishes. During the 2nd WW, many of his former scouts visited him. In 1951, continuing ill health forced his retirement. Three months after that he died at the age 75.

The first stained glass window of CC was erected in 1930 in thanksgiving for his sixteen-year leadership particularly among young people. It was initially set at the East end of the church but

was moved to its current location accommodate the move of the Rose window from the West wall.

By J.H. Mendham for the History committee. July 2026.
